BOOTH TYPE: FLOOR SPACE

THE EXHIBITOR BUILDS THE BOOTH

AVAILABLE SIZES

from 9 M2 - 90 M2 +

FLOOR SPACE

For floor space booth types, the exhibitor is responsible for the construction of the booth.

Booth sizes may vary.

For your convenience, we provide a list of [recommended booth contractors](#) on our website. However, you may choose to hire a contractor of your preference.

All contractors must be approved by show management in order to access the convention center during set-up days.

Please refer to the [Contractor Authorization Form](#) available on our website.

Note: *Floor space booths will incur additional charges for services such as electricity and Wi-Fi.*
